EARLY DETECTION IS THE BEST PROTECTION

Free Breast & Cervical Cancer Screenings for women who qualify

(Martin County, FL) – The Florida Department of Health in Martin County is advising residents of a program offering free mammograms and pap smears. Women must be 50 years or older, with little or no health insurance and not covered by Medicare or Medicaid.

Funding for the program is available through the Florida Breast and Cervical Cancer Early Detection Program.

The screenings are offered through various providers in Martin County. For information, eligibility requirements or to schedule an appointment, call 954-762-3649. Information is also available online: <http://martin.floridahealth.gov/programs-and-services/clinical-and-nutrition-services/florida-breast-cervical-cancer/index.html>
