Beach water samples in the acceptable range

Contact:

Renay Rouse Renay.Rouse@FLHealth.gov 772-631-6008

Martin County, FL – Test results from samples taken yesterday at Martin County beaches show results in the acceptable range for bacteria.

Sampling took place at Hobe Sound Beach, Hobe Sound Wildlife Refuge, Bathtub Beach, Stuart Beach and Jensen Beach.

As always, follow the advice of lifeguards. The beach conditions hotline number is 772-320-3112.

Beach water sampling will continue on a regular schedule beginning on Monday.

About the Florida Department of Health

The department works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
