5/1/2008

ABANDONMENT PROCEDURE

- Complete page 1 of application and mark "Abandonment" at the top.
- Complete site plan showing where the system is and structure it is serving if it still exists. In space provided, how septic tank is to be abandoned.
- Owner completes "Acknowledgement of Repairs".
- Septic contractor completes abandonment certification statement and signs it. OR, the septic contractor may submit a letter stating the system was pumped and on what date.
- Everything is submitted at once to the Health Department and the current fee is paid at time of submittal.
