Free Child Passenger
Safety Seat Check!

**Three out of four car seats are installed improperly.
Let us check or install the child safety seat in your car.**

Saturday,
September 21
10 a.m. - 2 p.m.

Cleveland Clinic
Martin North Hospital

501 Osceola Street,

West Side of Parking Garage

No appointments are needed.

Don't have a car seat?
We have a limited number of free car seats available, including four different types of car seats: convertibles, combos, high back booster and backless boosters.

*Please bring the user's manual
for both the vehicle and your car seat.*
