**Martin County, FL –** In recognition of National Black HIV/AIDS Awareness Day, the Florida Department of Health in Martin County is offering free HIV, STD and Hepatitis C testing. No appointment is needed and some results are available in about 15-minutes. Health Department staff will also offer education, counseling and connection to treatment, if needed.

National Black HIV/AIDS Awareness Day was established to raise awareness, encourage testing and prevention methods in the Black/African American population, who are disproportionately affected by the virus.

### **Free HIV, STD and Hepatitis C testing events:**

- **Friday February 7 9:00 am - 1:00 pm**
- **Monday February 17 4:00 pm - 6:00 pm**  
Florida Department of Health, 3441 SE Willoughby Blvd., Stuart
  
- **Thursday February 20 2:00 – 5:00 pm**  
Florida Department of Health, 16401 SW Farm Rd., Indiantown

### **About the Florida Department of Health**

The department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
