BE SURE TO ADD IMMUNIZATIONS TO YOUR BACK TO SCHOOL LIST
Don't wait, vaccinate!

Contact: Renay Rouse Renay.Rouse@FLHealth.gov 772-631-6008

(Martin County, FL) – With the start of the new school year just a few weeks away, the Florida Department of Health is urging parents and caregivers to be sure that their student's immunizations are up to date for school entry.

Proof of certain immunizations, on a #680 form (Florida Certificate of Immunization), is required for school entry if a child is entering kindergarten, seventh grade or is moving to Florida from another state or country. Additional information about immunizations is available here: http://martin.floridahealth.gov/programs-and-services/clinical-and-nutrition-services/immunizations/index.html

The Health Department in Martin County (DOH-Martin) is offering free school age immunizations for children who are uninsured, underinsured or do not have a medical provider.

Though not required for school entry, DOH-Martin is also offering free COVID-19 vaccinations for everyone age 12 and older. Immunization appointments are available by calling 772-221-4000, option #3. DOH-Martin is providing vaccinations at the following events, no appointment is needed:
