**Martin County, FL** – The Florida Department of Health in Martin County is pleased to welcome Laura Gilio Graze, DNP, as a provider of Family Planning and HIV services.

Graze holds a doctorate and a master's degree in nursing, as well as master's degree in education.

"I take pride in being an empathetic and compassionate caregiver who listens to patients and takes a team approach to helping them meet their healthcare goals." said Graze, who is a native of Martin County and traveled the world with her husband who is retired from the U.S. Air Force.

Graze is accepting patients at the Health Department clinics in Stuart and Indiantown and is an approved provider for the Medicaid Family Planning Waiver program, also known as "Family Planning for Today's Woman". More information about the program can be found [here](#). Appointments are available by calling, (772) 221-4000, option #3.

### **About the Florida Department of Health**

The department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
