Martin County, FL – In recognition of National Breast Cancer Awareness month in October, the Florida Department of Health in Martin County is encouraging women to protect their health and receive regular screenings.

The Florida Breast and Cervical Cancer Early Detection Program (FBCCEDP) provides access to the breast and cervical cancer screenings doctors recommend. The screenings are free or low cost for those who meet the program eligibility requirements, including residency in Martin, Palm Beach or Broward counties.

Florida Breast and Cervical Cancer Early Detection Program

To see if you qualify, call 1-954-762-3649. Additional information is available here: <http://martin.floridahealth.gov/programs-and-services/clinical-and-nutrition-services/florida-breast-cervical-cancer/index.html>

About the Florida Department of Health

The department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
