## INFORMATION AND INSTRUCTIONS FOR DEATH RECORD APPLICATION

**AVAILABILITY:** Death registration was not required by state law until 1917; however, it was many years before we had consistent registration. While there are some records on file dating back to 1877, not all events were registered.

**ELIGIBILITY:**

**WITHOUT CAUSE OF DEATH:** Any person of legal age (18) may be issued a death certification without the cause of death.

**CAUSE OF DEATH INFORMATION:** Cause of Death for any record over 50 years old may be issued to any applicant. Death records less than 50 years old with the cause of death information included may only be issued to the following individuals:

1. Decedent's spouse or parent;
2. Decedent's child, grandchild or sibling, if of legal age;
3. Any person who provides a will, insurance policy or other document that demonstrates his or her interest in the estate of the decedent;
4. Any person who provides documentation that he or she is acting on behalf of any of the above named persons.

Requests for a death certification that includes the cause of death information must state the qualifying eligibility, or a notarized Affidavit to Release Cause of Death Information (DH 1959), which is available upon request. If after reading the above information you are still uncertain regarding your eligibility for cause of death information, call our office (904) 359-6900 extension 9000 for assistance.

A funeral director or attorney representing an eligible person as defined above must include their professional license number, and the name and relationship of the person they are representing, if requesting cause of death. If not representing someone identified above as eligible to receive cause of death information, then a completed Affidavit to Release Cause of Death Information (DH 1959) must accompany this request. **SPECIAL NOTE:** Florida clerks of court will not accept a death record with cause of death information included when filing probate.

**INFORMATION NEEDED:** A search cannot be made without the decedent's name and year of death. If any of the other items requested on the front of this form are unavailable, other identifying information (such as parents' names, birthplace, etc.) may be helpful if multiple records are found for common names.

**APPLICANT'S SIGNATURE:** Applicant's signature is required, as well as his/her name, valid residence address and telephone number.
