Martin County, FL – The Florida Department of Health in Martin County (DOH-Martin) is expanding COVID-19 testing opportunities in the county. Beginning Monday, August 23, DOH-Martin, in partnership with Curative, Inc. will offer free testing, seven days a week from 8:00 am – 6:00 pm at 3441 SE Willoughby Blvd., Stuart.

Insurance is not required and a total of two hundred PCR and rapid antigen tests will be available daily. Testing appointments are recommended and available at www.Curative.com. Walk-up service is also available.

COVID-19 testing is also available at most retail pharmacies and doctor's offices. A list of vaccination and testing sites is available at www.floridahealthcovid19.gov.

COVID-19 Mitigation Measures:

- Get vaccinated
- Stay home when you are sick
- Wash your hands frequently
- Cover your cough and sneeze
- Avoid touching your nose, eyes and mouth
- Clean high touch surfaces frequently
